### Contec Critical Environment Supplies

- Critical supplies for your critical environment, including prep and tack mats, disposable mesh foam sponges, and an essential hazardous drug spill kit
- Talk to your sales rep about product programs and availability
- Orders will ship the same day if the order is placed before 4 PM EST

#### Clean Scrub™ Sponge (Disposable mesh sponge with foam core)

- Textured polyester mesh removes heavily soiled contamination from surfaces
- Compatible with a wide range of disinfectants
- Designed to not scratch most surfaces

Order No.	Size	Qty
VKSC0004	5"x3"x0.6"	48 each/CS

#### Contec Healthcare Essential HD Spill Toolkit (for up to 1000mL)

- Activated charcoal spill pads begin chemical deactivation of spills, absorbs, and renders liquid drug unrecoverable, enhancing the safety of workers absorbing up to 1000mL per pad
- Integrated Chemo Bio-Wipe bag safely contains macro spill components for later disposal in RCRA\* container
- Plastic scoop and rigid container conveniently facilitate powder spill cleanup and containment
- Materials are limited to generic, essential items for a smaller size and soft packaging to reduce waste and enables storage in automated dispensing cabinets (ADCs)

Order No.	Qty
HCSK0001	2 kits/CS

**Contec Prep Mat - Contaminaton Control Mat**

- Low-lint construction; absorbent and barrier layers
- Lot number on inner bags for traceability
- Available irradiated and nonsterile
